2017/2018 REPORT TO THE COMMUNITY

our growth

The past 24 months have been incredible! We've expanded programming from one night to three, trained numerous volunteer facilitators and now provide peer support to over 100 children from 60 families. We are also thrilled to announce a partnership with Toledo Public Schools that will bring Good Grief peer support groups into the school setting, beginning at Old West End Academy in October 2018!

Good Grief's ability to meet the needs of more grieving children and families is only possible because of the support of this community. By partnering with area businesses, health care and mental health professionals, schools, and universities, we have increased awareness of issues surrounding childhood grief and strengthened our ability to provide our unique services to this community. Our exceptional donors, funders, and volunteers keep Good Grief's services completely free for families.

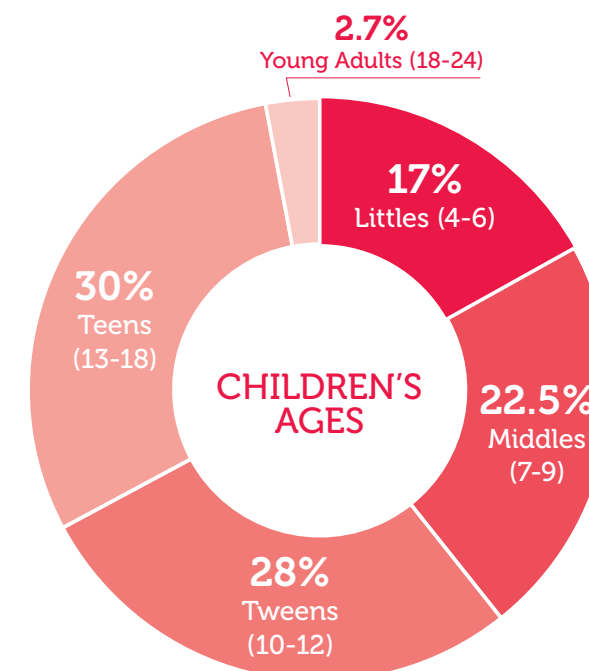

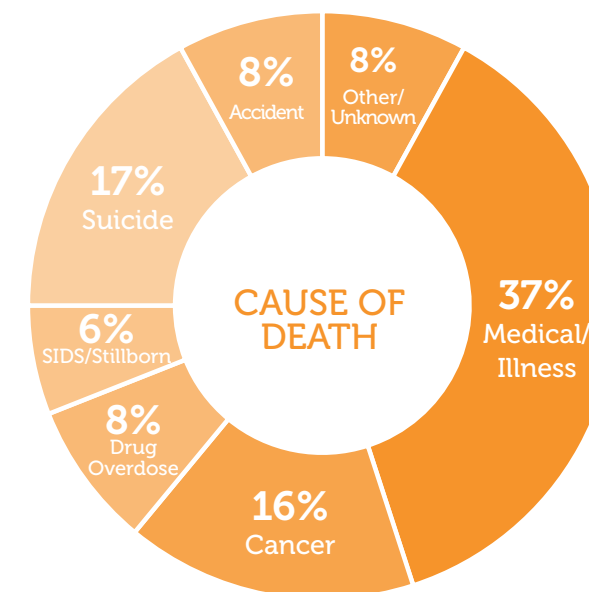

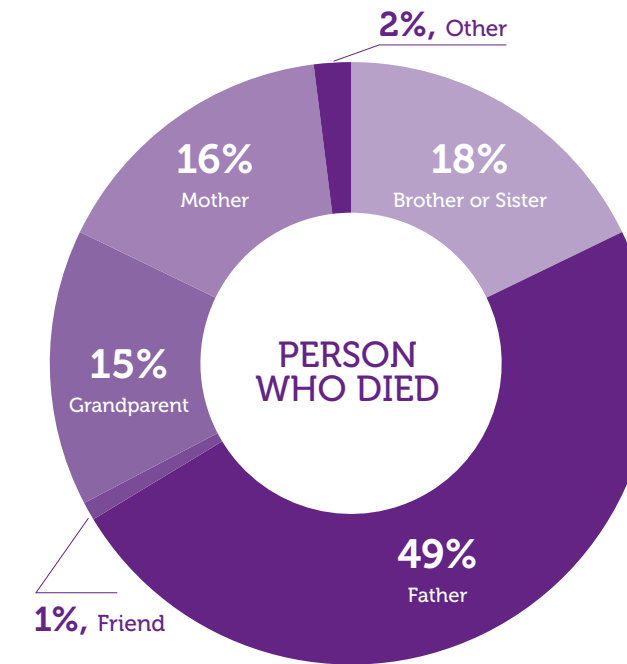

We invite you to learn more about Good Grief's mission of supporting grieving children and their adult caregivers. Get in touch any time! We would love to share more with you. Please visit www.goodgriefnwo.org, or call 419.360.4939.

With Gratitude,

Dorothy J. Mockensturm
